

Year 1 Newsletter: Spring Term, Week 10

This week in class 1C

On Monday, the children were absolutely amazing in their Great Fire of London assembly. Demonstrating singing, instrument playing, acting and gymnastic skills, the children expressed themselves creatively, confidently and clearly. Well done!

Thank you for coming to celebrate the children's work afterwards at the book-look. It was tight squeeze!

On Wednesday, the children showed off their performing skills again in a brilliant performance of the Witches from Macbeth. Congratulations to all the children again on their self-expression.

In Maths, the children developed their knowledge and skills in times tables, learning about arrays, rows and columns. They also practised understanding division as sharing.

In English, the children learned about similes, writing simple similes about colour. After this, they used similes to describe a jungle setting.
