Preparatory School

Year 3 Newsletter: Summer Term, Week 5

This week in Year 3

After a wonderful few days in Dorset, it was back to reality this week!

In Maths, the class have been revisiting telling the time. In English, we have been looking at the underlying pattern of portal stories and then planning our own. The children have been enjoying the opportunities for creativity that this type of writing offers.

We have been continuing to focus on physical geography in our current topic *Investigating India*, looking last lesson at mountains, and more recently at rivers.

As this week is *Mental Health Awareness Week*, St James Prep celebrated another *Feel Good Friday* today. The class attended a Wellbeing Workshop where they...

Things to Remember

- **Wednesday 22nd May at 8:20am**

All parents are invited to a meeting about the exciting upcoming Digital Transformation at St James Prep, an initiative involving Years 4, 5 and 6 initially. The meeting will provide an opportunity for you to learn about how devices will be used to enhance teaching and learning, including hands-on demonstrations, and for you to ask about any queries you may have.

- We are delighted to be taking part in **National Numeracy Day on Wednesday 22nd May**. We will be focusing on nurturing a love of problem solving and logical thinking on this day, Children are strongly encouraged to dress up in a maths themed outfit. We had some incredible outfits last year and can't wait to see the children's creativity this year - there are prizes to be won!

- Spelling words for this week - words ending with '-gue' and '-que'

vague
league
plague
fatigue
antique
dialogue
unique
grotesque
plaque
mosque
