

How Atom Home can support your child

- ✓ 90,000 questions, videos and recorded lessons
- ✓ Mapped to the National Curriculum for Key Stage 2
- ✓ Helpsheets and tutorials for children to learn independently - no tutors required!
- ✓ Adaptive technology to support every child's goals at the right difficulty level
- ✓ Stay up-to-date with children's progress with detailed data insights
- ✓ Tailored exam preparation including unlimited mock tests

"My daughter used Atom for 5 months in the run up to her 11+. We loved the **abundance of material** and the ability to narrow it down to work on weaker areas. The **disaggregation of scores** into strong and weak areas and a tracker on average scores was very helpful. She used Atom for Maths, VR and NVR and enjoyed the software which had just the right "**fun factor**". She got into her **no. 1 school** Lady Eleanor Holles."
