## Preparatory School

### Year 6 Newsletter: Summer, Week 3

#### What have we explored this week?

Year 6 have had a wonderful week and shown brilliant resilient working through the hot weather. On Monday, we began our new Geography topic, Investigating Rivers, and learned the vocabulary needed for this term: meanders, deltas, erosion.

In English, we have been looking at autobiographies and over the next couple of weeks, the children will be writing their own autobiographies with a focus on exciting anecdotes and humorous language.

We have been busy problem-solving in Maths this week - not only have we been calculating puzzling missing angle questions in class but also taking part in the Junior Mathematics Challenge too!

Thursday's Games was a hot one this week, but the children battled on in the heat to produce some amazing jumps and sprints!

## Things to Remember

- Children must bring their blazers on Fridays.
- Swimming is on Fridays.
- Year 6 Residential **Monday 12<sup>th</sup> May - Friday 16<sup>th</sup> May**. I will send out drop off and pick up times next week.
- Please remember that we have a visiting author on 21<sup>st</sup> May - children can order books up to 7<sup>th</sup> May and details can be found on Class Dojo.
- Parent performance of Matilda: **Friday 20<sup>th</sup> June 5pm-6pm**.
