Year 6 Newsletter: Summer, Week 7

What have we explored this week?

This week, the Year 6 pupils have embarked on a series of enriching experiences that have sparked their creativity, enhanced their civic awareness, and honed their entrepreneurial skills.

Colour Workshop at the National Gallery

The students visited the National Gallery in London for an immersive workshop. Guided by a passionate guide of the National Gallery, they explored the interplay of colours in famous artworks and experimented with their own creations. The session culminated in crafting beautiful lanterns from tracing paper, blending artistic expression with hands-on learning.

🚲 Junior Citizenship Scheme at Craven Cottage

In a collaborative initiative with community partners, the pupils participated in the Junior Citizenship Scheme at Fulham FC's Craven Cottage stadium. This programme, supported by organizations such as Transport for London, the London Fire Brigade, and the Metropolitan Police, aimed to equip students with essential life skills. Through interactive scenarios, they learned about public transport safety, first aid, and effective communication during emergencies.

- ***International Week 9th - 13th June***

St James will be celebrating our diverse community next week as each class learns about a country during International Week. Our school has children, parents and staff from all over the world and we want to share our cultures, languages, history and stories with each other!

Each class has chosen a country to learn about and will be completing activities connected to that country in their History and Geography time. They are also challenged to decorate their reading corners in a way linked to their chosen country.

On Friday 13th June, the school are invited to dress in non-uniform in a way connected to a country of their choice - it could be national dress, a sports kit or the colours of a flag - they can decide!

We hope it is a wonderful international celebration!

Our class is learning about Peru.
